

THANK YOU FOR PURCHASING
OUR PAINT PROTECTION FILM

AFTER CARE

1. Please do not wash your car for 7 to 10 days after installation. Driving in the rain is ok.

***Refrain from using a high pressure wash**

(This is considered abuse to the film and NOT covered under warranty)

2. Please wash bug residue and bird droppings off vehicle as soon as possible.

3. Small imperfections or shadowing you may see are likely installation fluid under the film and will disappear. Please allow 30 days for film to completely cure.

THANK YOU FOR PURCHASING
OUR PAINT PROTECTION FILM

AFTER CARE

- * Though we strive for perfection in our installations, due to the nature of the product, some degree of dust contamination and or minor imperfections are present in every paint protection film application, also pre-existing flaws or scratches on the vehicle are often much more noticeable after the paint protection film is applied.

- * Warranty does not apply to damage caused by misuse, accident, misapplication, or ordinary wear, nor does it apply to dents caused by physical impact of rocks or road debris.
